Translation from one language to another and keeping the essence of original work intact is Herculean task. Word to word translation poses too many risks and loss of reputation. Galaxy4u offers professional translation services from English to Marathi and from Marathi to English.

What makes **Galaxy4u** your preferred translation partner? Galaxy4u is directed by Avinash Mukute, having 14 years of versatile experience across industries. Our expertise includes Pharmaceuticals, Medical, Academic, Media, Training, Publishing, Telecom, Advertising, Banking, Information Technology, Government, Military, Legal and other industries.

Therefore, we are able to translate every job as new creative work.

Galaxy4u armamentarium of dictionaries include

- ▶ Oxford Dictionary
- ▶ Navneet Advanced Dictionary
- ▶ V.V. Bhide English – Marathi Dictionary
- ▶ Sahni's Concise Dictionary English-English-Hindi
- ▶ Dorland's Pocket Medical Dictionary
- ▶ Churchill Livingstone's Pocket Medical Dictionary
- ▶ Stedman's Pocket Medical Dictionary
- ▶ Bailliere's Nurses Dictionary
- ▶ Science Dictionary
- ▶ Dictionary of Internet Terminologies
- ▶ Dictionary of Computer Terminologies
- ▶ Legal Dictionaries
- ▶ Encyclopedia of Marketing, and plenty of reference and research material.

Galaxy4u has long term translation contracts with leading organizations. Each output is thoroughly checked by chief translator and delivered electronically.

TESTIMONIAL

We have enjoyed working with Avinash Murkute. The Marathi translations done by him were not a transliteration.

Instead he has added extra value to the translations by using simple words, providing useful suggestions and ensuring high quality output. Despite being busy in his other commitments, he ensured that the project was delivered on time.
